These choices highlight the human capacity for both failure and growth, emphasizing that falling is part of the human experience but also an opportunity for self-awareness.

The Impact of Trauma and Resilience

Trauma as a Catalyst for Falling

Cormier's works frequently explore how trauma—be it physical, emotional, or psychological—can cause characters to "fall down" into despair or moral confusion. Yet, these moments also serve as catalysts for growth, reflection, and eventual resilience.

Resilience and Rising Again

Despite moments of falling, many characters demonstrate resilience, finding ways to rise above their circumstances:
