As a science teacher at Jefferson Middle School in Birmingham, I am committed to enhancing student engagement through innovative instructional materials and digital platforms.

Over the past few years, I have observed the increasing need for accessible, interactive, and standards-aligned science resources that support diverse learning styles. Given ALEX's reputation for providing high-quality educational content statewide, I believe a partnership could significantly benefit our students and teachers.

Specifically, I am proposing to co-create a series of interactive lesson plans and assessment tools aligned with the Alabama Course of Study. These resources would be made available on ALEX, enabling educators across the state to incorporate them into their classrooms. Additionally, I am interested in organizing professional development webinars to train teachers on effectively integrating these digital resources.

I would appreciate the opportunity to discuss this proposal further and explore potential avenues for collaboration. Enclosed with this letter are my credentials and a preliminary outline of the proposed project. I am confident that working together will contribute to the ongoing efforts to improve science education in Alabama.

Thank you for considering this partnership. I look forward to your positive response and to the possibility of working together to advance educational excellence through ALEX.

Respectfully,
