The Anglo-Saxon Era and the Old English Language

The earliest English poetry in this collection originates from the Anglo-Saxon period (circa 5th to 11th centuries). During this era, England was inhabited by tribes such as the Angles, Saxons, and Jutes. The language spoken was Old English—a Germanic language characterized by its complex inflections and a vocabulary that reflects a warrior culture and a pagan worldview.

Poetry from this period was predominantly composed orally, often performed by scop or bard figures who recited stories of heroes, gods, and history. The most famous Old English poem, Beowulf, exemplifies this tradition with its heroic narrative and martial themes.

The Norman Conquest and Middle English Transition

After 1066, with the Norman Conquest, England's linguistic landscape shifted dramatically. French influence infused the language, leading to the development of Middle English.
